

Portland Photographic Society may be the club for YOU

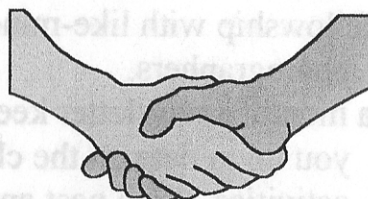

Club members have lots of experience in

- ♦ making slides
- ♦ printing color or B/W prints
- ♦ having color prints made commercially
- ♦ using digital imaging and manipulation techniques

and they are excited about sharing their experiences and helping others learn.

Portland Photographic Society belongs to the Photographic Society of America (PSA), and the Columbia Council of Camera Clubs (4Cs). The 4Cs include 32 clubs in Oregon, SW Washington, Western Idaho and Northern California. Members are able to submit winning slides and prints for criticism from members of the of 4Cs. Winning prints and slides receive recognition and the top of the groups can then be submitted to the End of the Year competitions that are reviewed at the annual meeting held in October. The club also participates in competitions within PSA.
