PORTLAND PHOTOGRAPHIC SOCIETY

If you are interested in photography, desire a chance to broaden your knowledge of photographic techniques, and enjoy an opportunity to share your photographic interests with others, then Portland Photographic Society may be the organization for you! Membership is open to amateur photographers. While some stick to the 35mm format others use medium formats. There is completion in both slide and print.

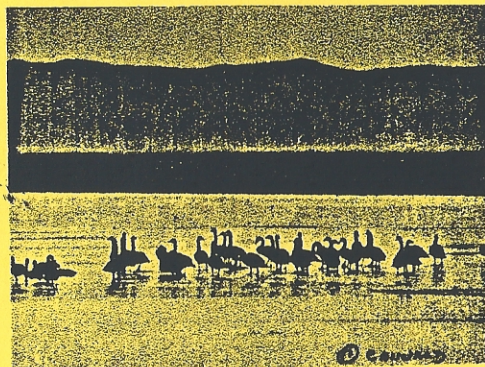

Everyone is welcome to join the group, regardless of age or previous photographic experience, as long as you enjoy being around people who share an interest in photography.

PORTLAND PHOTOGRAPHIC SOCIETY
