### **The Annual Awards Pot Luck**

– **Coming right up on the 7<sup>th</sup> of June. Be there at 6:30 and ready to eat at 7:00. Bring yourself, your significant other, food and drink to share, and plates, silverware and cups to assist you in partaking. The awards program will ensue.**

### **COLUMBIA COUNCIL NEWS:**

EID Competition will go back to its original maximum size of 1024 x 768 pixels and 72 ppi. Because of a decline in the number of clubs and individuals participating in the film competitions, it was decided that the monthly 4Cs competition class would no longer be offered. Instead, film users may compete individually at the 4Cs level on a quarterly basis. See the updated Golden Book, [www.columbiacameraclubs.org](http://www.columbiacameraclubs.org).

Remember that winners of print competitions during the past year should send Drinda Battaille (color print chair) or Neal Thompson (monochrome print chair), an electronic file so that the image can be shown on the 4Cs web site). It may be easier to go through Jim or Mike to do this, but if you want it shown region wide get it out there.

Keep the last weekend of September free for the 4Cs Convention in Florence. It is to be a three day extravaganza... several field trips on Sunday following the events of Friday and Saturday, ... more than a dozen speakers and workshop leaders from astrophotography to birefringence to NIK software workshops... good food and lots of interesting people to talk to. It'll be a fun time. Go see the schedule yourself at [www.columbiacameraclubs.org](http://www.columbiacameraclubs.org).
